YOUTH FOR UNDERSTANDING

“YFU advances intercultural understanding, mutual respect, and social responsibility through educational exchanges for youth, families, and communities”

Go on exchange!

Going on exchange provides you with a unique opportunity to travel and study overseas with the support of a worldwide network of YFU Student Exchange organisations, a volunteer host family, a school and its community and local support people.

YFU Student Exchange offers programs from 2 months to 12 months duration for students from over 50 countries around the world to be able to experience another culture, immerse themselves in another language and gain real insights to peoples' lives and approaches to learning in other cultures.

Exchange can open your eyes to different possibilities for further study or for future employment as well as giving you a unique experience that you cannot have at any other time in your life with memories and new friends that last a lifetime.

So, why not join the other 250,000 YFU exchange students and become a member of a family overseas, attend a school with different approaches to learning and perhaps learn a new language?

You will have the time of your life!

Program fees include:

- Return economy international airfare
- Medical insurance
- School enrolment
- Placement with a carefully screened and selected YFU Student Exchange volunteer host family
- All daily meals
- Orientations before, during and after your exchange
- Professional support and counselling
- YFU 24 hs emergency number
- Assistance with visa process

**Over
40
countries**

About YFU

YFU advances intercultural understanding, mutual respect, and social responsibility through educational exchanges for youth, families, and communities.

Some things you're born with. Other things—your confidence, your individuality and perspective—you will discover. Since 1951, YFU has helped students all over the globe find themselves, expand their world and discover intercultural opportunities through studying abroad.

A non-profit international educational organization with partners in more than 60 different countries, Youth For Understanding (YFU) is one of the world's oldest, largest and most respected intercultural exchange programs. More than 270,000 students and their host families have benefited from the support and expertise of YFU. The YFU global network is united by the belief that full cultural immersion is the most effective means to gain the skills needed to thrive in an increasingly multicultural, interconnected and competitive global society.

For learners of all ages who want a life-changing cultural exchange experience, YFU offers a wide range of opportunities to see the world up close. The global YFU network, consisting of partners in more than 60 different countries, is united by the belief that curiosity about the world expands cultural awareness and acceptance of other ways to live, which leads to broader perspective and greater understanding.

YFU's unique intercultural exchanges open minds and hearts, enable learning that transforms lives, change the way you see the world and help to overcome stereotypes. Selected to administer more government and corporate scholarships than any other high school exchange program, YFU has remained a trusted leader of intercultural exchange programs since 1951 because of its commitment to safety, reputation for quality, and exceptional support services.
